

A note about volunteers

Volunteers play an incredibly important role in the lives of the children in our programs. We know it can be difficult to hand your children over to a stranger and know that they are safe and well cared for. Because of this, we have policies and procedures in place to protect you, your child & the volunteer. Each volunteer goes through an application process, where we have an application, interview & reference checks. They are also required to attend a training seminar on our protection policies and provide the church with an up to date Police Check. If you love God, love children and would be interested in working in one of our programs, please contact Jenn Taylor to find out current opportunities for service.
